

# Shahrzad Fakhri

## CONTACT

**Address:** Aramesh genetics and pathology laboratory, Tehran, Iran.

**Mobile:** +9809123459279

Email: **Email:** sh.fakhro21@gmail.com

**Alternate Email:**

enso.fakhr.coach@gmail.com

**LinkedIn:**

[www.linkedin.com/in/shahrzad-fakhr-46594631a](https://www.linkedin.com/in/shahrzad-fakhr-46594631a)

## PROFESSIONAL SKILLS

- Expertise in quality control of clinical laboratory tests
- Proficient in implementation of ISO 9001 and ISO 15189 quality managementsystems.
- Skilled in organizational, group, and team coaching implementationin healthcare laboratories

## EDUCATION

- **Master of Science in Cellular and Molecular Biology** (Genetics Major)  
Islamic Azad University, Tehran Medical Sciences Branch  
September 2017 – January 2020  
**Thesis:** Study of the expression of two EGFR-related non-coding RNA genes, Inc-EGFR and EGFR AS1, in patients with breast cancer.
- **Bachelor of Science in Medical Laboratory Sciences**  
Ahvaz Jundishapur University of Medical Sciences  
September 2001 – July 2003
- **Associate Degree in Medical Laboratory Sciences**  
Islamic Azad University, Tehran Medical Sciences Branch  
September 1994 – January 1997)

## WORK EXPERINCES

26 years of experience in departments of pathology technique:

- **Quality Assurance Manager**, Aramesh Laboratory,Tehran,Iran (May 2025–Present)
- **Signing Out Results**, Emad Laboratory,Tehran,Iran(August 2024 – May 2025)
- **Quality Assurance Manager**, Saeed Laboratory,Tehran,Iran (October 2023–July2024)
- **QualityAssuranceManager**,colifeLaboratory,Network,Tehran,Iran (November2021–September2023)
- **Laboratory Supervisor** (Technical, Reception & Sampling Sections) Tat Pathobiology Laboratory,Tehran,Iran(March 2020 – October 2021)
- **Laboratory Supervisor** (Technical, Reception & Sampling Sections) Vishkaei Pathobiology Laboratory,Tehran,Iran( March 2016 – March 2017)
- **Laboratory Supervisor** (Technical, Reception & Sampling Sections) Milad Pathobiology Laboratory,Tehran,Iran ( March 2003 – March 2013)
- **Hormone Department Supervisor**, Bu-Ali Hospital,Tehran,Iran ( March 2013 – March 2015)

- **Laboratory Technician** (Technical Section), Molla Sadra Laboratory

Tehran,Iran(March1997–March2001)

## TRAINING COURSES & CERTIFICATIONS

- Anemia, Leukemia & Quality Assurance Workshop - Shahid Beheshti University – 2009
- Blood Surveillance System (Hemovigilance) - Iranian Blood Transfusion Organization – 2009
- Advanced Quality Control Training - Behsun Laboratory – 2021
- Method Evaluation (CLSI EP15) - Avicenna Research Institute – 2022
- Uncertainty of Results - Avicenna Research Institute – 2022
- MAX Model in Quality Assurance - Avicenna Research Institute – 2022
- Sigma Metric Calculation - Avicenna Research Institute – 2022
- ISO 9001 & ISO 15189 Lead & Auditor - K.A.S Company (A.S.C.B UK Representative) – 2022
- Executive Management in Healthcare (H.C.MBA) - Jahad Daneshgahi, Shahid Beheshti University – 2024
- Level 2 Personal and Organizational Development Coaching - North Star Academy, Canada (ICF Accredited) - 2024

## ARTICLES & PRESENTATIONS

- Oral presentation at the 8th International Congress on Biomedicine (10–19 Nov 2024)  
**Title: Gene Expression of Long Non-Coding RNAs; EGFR-AS1, EGFR-208, and EGFR-209 in Triple-negative Breast Cancer**

**Author: Shahrzad Fakhri, Ali Zekri**  
**Degree: Master of Science, Molecular Genetics**  
**University: Islamic Azad University, Tehran Medical Sciences Branch**  
**Tel: +98(21)82884407.**

## TEACHING EXPERIENCE

- Quality Control in Biochemistry - BioMino Biomedical Innovation Association (2022)
- Quality Control in Hematology - BioMino (2022)
- Nonconformity Identification and Management - BioMino (2022)
- Nonconformity Identification and Management (Advanced) - BioMino (2023)
- Basic and Advanced Quality Control Foundations, Aramesh LaboratoryAcademy,2024
- Non-Conformance Identification and Management, Aramesh LaboratoryAcademy,2024
- Hematology Quality Control, Aramesh Laboratory Academy, 2024
- Legal Requirements Checklist of Deputy of Treatment, Aramesh Laboratory Academy, 2024
